INTRODUCTION

Welcome to the latest edition of the BST Newsletter which as you will see has reverted back to being weekly; this should mean that it is easier to follow your favourite reviews.

We have no new reviews or Final Reviews this week.

The Featured Review is Race Ratings Pro which continues to do well.

We'd like to hear from you, please contact me by e-mail via the Bloggers Corner at news@bettingsystemtruths.com

Race Ratings Pro Days 36 to 41

Race Ratings Pro Days 36 to 41 by Sgt George

Hi Folks

The period Days 36 to 41 for Authors Exotic Bets was certain a good one the Win Bets made 9.21, the Lays 13.75 and the Exotics a whopping 362.91 points gain.

As for my own approach my Lays took a hit as did my exotic bets but my Win bets managed a small profit of 1.68 points.

This is a quick insight how each review is performing.

Systems: These are a set of rules that are used to make selection criteria. These rules are hard and fast without room for interpretation or discretion.

Methods or Strategies: These services are based upon loose rules or advices that are applied, with skill, by the user of the service.

Tips: You receive tips from the service provider of back or lay bets and you back the tips to the recommended stakes or to level stakes.

League Table of Reviews

[Return](#)

A reasonable way of comparing the performance of systems is to work out the profit (or loss) as a percentage of the starting bank. Obviously this table doesn't replace reading the reviews, because *profit as %age of bank* is not the only factor in judging a system. Nevertheless, it is a valid at-a-glance way of bringing the mass of data together.

The league table now includes systems that have finished their reviews as well.

We have thirty four reviews that have made a profit of over 15%. And we have a new number one and two but will they stay there we shall have to see.
