INTRODUCTION

Hi Folks,

Welcome to BST Newsletter Edition 29. If you wish to contact me about the newsletter please e-mail me rich@bettingssystemtruths.com

You can also use that address to send in your contributions for the Bloggers Corner section of the newsletter. We don't have any contributions to the Corner this week, but I hope some of you will be inspired to make a contribution next week.

Did you notice the deliberate (cough) mistake in last week's newsletter? The links to the reviews didn't work! I'm not sure they will work ok this week, when it is converted to a PDF, but hopefully they will.

New Reviews

Getfair Racing System – Introduction

Hi Bloggers,

Just a quick intro to my latest review for the 'Getfair Racing System'.

This will be a Horse Racing LAYING service where various LAY bets are sent out daily by email.

The Email is sent out at least one hour before the first selection is due to run.

The maximum price that the selection should be LAYED at is advised in the Email. This price will never be above 4.0.

For the purpose of this exercise, we will LAY each selection at the market price as soon as I receive the Email for ONE POINT. If the market price is above the advised price, then an unmatched LAY bet will be left in the market until the start of the race at the advised price. If the trade is left unmatched at the start of the race, there will be NO trade on the race.

Any winnings will be subjected to the usual 5% Betfair commission charge.

Each evening the results will be reported.

Sgt Marc

I will report back later today on today’s tips where we have 4 ‘draw’ bets,

1 fourfold and 1 treble from various leagues around Europe.

All the best, Tommy.
