INTRODUCTION

Hi Folks,

Firstly, all of us at BST and LTO wish you a **Happy New Year!**

This week we have one Final Reviews, but "The Richard Dunwoody Racing Service" failed its review!

Not surprisingly it has been a quiet week for our reviews, "NFL Betting System" continues to do well but "Magic Backing Bot" hasn't had a report entered this week. Hopefully the review will be back to normal next week.

We'd like to hear from you, please contact me by e-mail via the Bloggers Corner at rich@bettingssystemtruths.com

The Richard Dunwoody Racing Service

– Final Review

22 December 2011

Sergeant Lucian - Review Summary of The Richard Dunwoody Racing Service

Hi Bloggers,

Final review of **Richard Dunwoody Racing Service**. Richard Dunwoody and his team offer two services:

1. Pay As You Win

2. Champions Subscription

PAY AS YOU WIN Service is a free to join service. There are simple rules for this service - the client first receives a text message and if they are in a position to bet, simply respond and receive the second text message with the betting details. For the bet accepted the client must pay the returns for a £20 stake at the **Starting Price** (retain the entire stake placed). For this service the tips are rated with 10 from 10, so maximum strength.

Champions Subscription Service is a professional tipping service from *Richard Dunwoody Racing* and the newest member of the team – Steve Simpson, three-time winner of the Coral Racing Post naps table (twice Flat Champion and once Jumps Champion). This service come with a free bonus – Racing's Best Kept Secret – Saturday Specials Service (21.5 points profit since 17/4/2010) which is available for a limited period absolutely free to new annual members of the Subscription Service.

The service will provide 3 to 4 bets a week on average, selections based on 1-to-5 points staking plan, with 5 points being the very strongest. To consistently make money from backing horses it is important that you stick to a points-based staking system. Advice is given via Members log-in area, free text message, pre-recorded phone message and email.

The Richard Dunwoody Saturday Specials Service will provide 2/3 Specials every weekend.

The price for the full membership to the Champions Service for 12 months is £695, 6 months £475, 3 months £275 and 1 month only £99.

Starting bank for **PAY AS YOU WIN Service** will be 1000 points and 100 points per bet and for **Champions Subscription Service** the initial bank will be 100 points and bets from 1 to 5 points.

Now how look The Richard Dunwoody Racing Services after the reviewed period of 12 weeks.

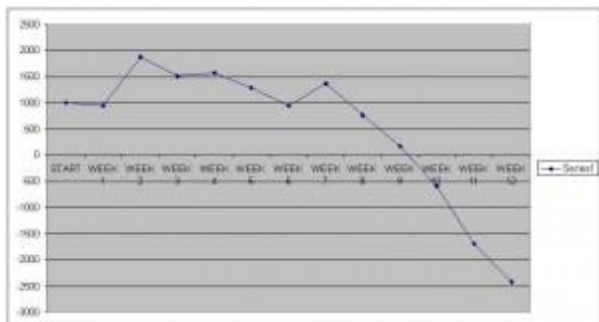

PAY AS YOU WIN Service:

Initial bank = 1000 points and 100 point bet.

Final Bank = -2425.00 point

A huge loss – 2425 points – after the review period bring this service to FAILED ZONE. No other words needed.

Here is the graph of the bank evolutions.

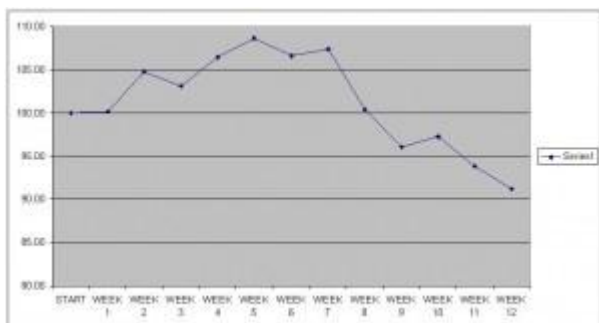

2. Champions Subscription and FREE The Richard Dunwoody Saturday Specials Service

Initial bank = 100 points and 1 to 5 point bet.

Final Bank = 91.22 points

A loss of **8.78** points and the cost of 275 pounds for 90 days of subscription. No need to say that also **this service is FAILED.**

Here is the graph of the bank evolutions.

Review Manager Note 22/12/2011

The Richard Dunwoody service have sent the following statement:

“In light of recent poor performance Richard Dunwoody & Team have had a big shake up as the results simply weren’t good enough during our trial period. We pride our selves on providing customers the best possible service and experience, though we can’t guarantee winners we can guarantee that we do our very best. As a result we have appointed some highly sought after industry professionals.

Our main resource for the Champions service, “STEVE SIMPSON” dual Champion tipster in his own right and currently leading the press Naps table in profit by £27.99 would like to offer all BETTING Systems Truths customers a free trail to our Champions Service.”

The Richard Dunwoody Racing service has given our readers [a free trial of their service](#). (They may also offer a free trial to the Pay As You Win service at a later date.) The trial will last up until the end of January and although you have to enter credit card details they’ve said that is just to verify age. They say that membership will be cancelled on 1st February and you will then get an email asking if you wish to continue.

League Table of Current Reviews

[Return](#) 

A reasonable way of comparing the performance of systems is to work out the profit (or loss) as a percentage of the starting bank. Obviously this table doesn't replace reading the reviews, because *profit as %age of bank* is not the only factor in judging a system. Nevertheless, it is a valid at-a-glance way of bringing the mass of data together.

I've colour coded the reviews that are the currently most successful, with the colour of their profitability graph (next newsletter section) to make them easier to spot.

A quiet week, NFL Betting System continues to do well.

System Reviewed	Start Bank	Total Profit /Loss	Profit as %age of Bank	Position Last Week	Position This Week
NFL Betting System	1000	728.04	72.80%	1	1

Profitability Graph

[Return to Contents/Index](#)

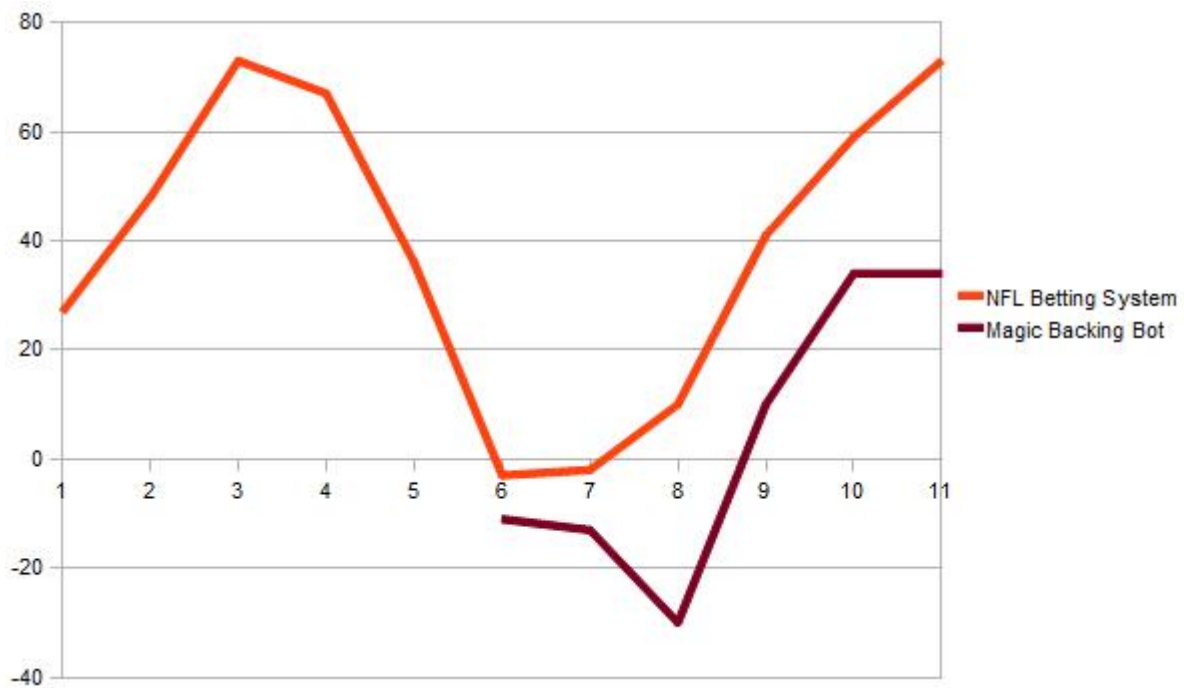

Here is a graph of the profit being made by the front-runners as a percentage of their starting bank. This gives a week by week comparative view of their progress.

It gives a representation of the volatility or dependability of each system. Ideally we would want a graph that increased each week by roughly the same amount. If a system or tipping service could produce that, then we would really have a winning review!

This week, NFL Betting System continues to do well and Magic Backing Bot has moved nicely into profit over the past few weeks.

A blogger, Neil, asks about “The Lazy Day Trader”

I have seen this system by Keith Jones, which he is giving away free of charge and it sounds too good to be true. Have you come across it and tested it out? And if you have, do you recommend it or have any doubts over it? Any thoughts and comments or advice on this will be greatly received and acted on. Thanks in advance Neil
