INTRODUCTION

Welcome to the latest edition of the BST Newsletter which as you will see has reverted back to being weekly; this should mean that it is easier to follow your favourite reviews.

No Final or New Reviews this week but we do have an old favourite being re-reviewed next week and that is Golden Key Method 2, it will be interesting to see whether it is still one of the top notcher's product wise.

We'd like to hear from you, please contact me by e-mail via the Bloggers Corner at news@bettingsystemtruths.com

Hi Folks,

Odds On Ron - Days 75 to 78

23rd December 2012

Hi, Sgt Colin here, with the latest update on the performance of the Odds On Ron system.

I initially started with a bank of 100 points, staking 1 point per selection (using level stakes) and aiming to return c4 points per day (using the staking plan). After 74days we were 12.4 points down to level stakes, but UP 148.2 points using the advised staking plan.

Day 75 - 18th December

BST Newsletter © BettingSystemTruths 2012

There were 4 selections today, with the third of them winning @ massive odds of 10.03, following a place in the first race. 8.4 points up using level stakes, 14 points using the staking plan.

Day 76- 19th December

4 selections today. No winners but an odds against place in the 3rd race. 3.2 points lost to level stakes, 7.2 points lost using the staking plan.

Day 77 - 22nd December

8 selections today. The 4th selection came in at 5.4 odds, so we lost 0.5 points using level stakes, gaining 12.8 points using the staking plan.

Day 78 - 23rd December

No selections today (only 1 meeting survived the torrential rain).

The early gains made on the trial on level staking have now been lost thanks to two long losing runs. However, using the staking plan we've made a healthy profit, and a decent return on investment.

Going into the last 6 days, but clearly Christmas interrupts the trial. ***A Merry Christmas to all.***

This is a quick insight how each review is performing.

Systems: These are a set of rules that are used to make selection criteria. These rules are hard and fast without room for interpretation or discretion.

Methods or Strategies: These services are based upon loose rules or advices that are applied, with skill, by the user of the service.

Tips: You receive tips from the service provider of back or lay bets and you back the tips to the recommended stakes or to level stakes.

League Table of Reviews

[Return](#)

A reasonable way of comparing the performance of systems is to work out the profit (or loss) as a percentage of the starting bank. Obviously this table doesn't replace reading the reviews, because *profit as %age of bank* is not the only factor in judging a system. Nevertheless, it is a valid at-a-glance way of bringing the mass of data together.

The league table now includes systems that have finished their reviews as well.

We have twenty seven reviews that have made a profit of over 15%.

Reviewed System	Bank Start	Total /Loss Profit	Profit as Bank %age of	Position Week Last	Position Week This
